### Progressa™ Bed System

Country of origin: USA

#### Standard features:

- FlexAfoot™ Retractable Foot Control
- 30/45 Degree Head of Bed Alarm
- In-Bed Scale
- Three Mode Bed Exit Alarm (PPM)
- Standard Head and Foot Panel
- Night Light
- Hands Free Emergency CPR, Trendelenburg

- Caregiver Pendant
- Obstacle Detect System at Both Sides of the Bed
- Drainage Bag Holders
- Four IV Sockets
- Patient Controls Backlighting
- Bed Controls

- Line Managers
- Oxygen Tank Holder Module
- Both Siderails with Point-of-Care Touch Screen
- 6" Urethane Central Locking Caster System
- Maximum Patient Weight: 500 lbs
- Safe Working Load: 650 lbs

### RECLINERS

#### Features & Benefits

##### Standard

- Infinite position recline
- Independent back and ottoman recline
- Robust flip-up arms with locking in all positions up/down
- Side retractable accessory hook
- Caregiver ergonomic push bar on back with release button
- Front and rear lock casters with toe lock/release casters in front
- Compatible with Hillrom's OBTs and patient lifts
- Structure composed of injection molded plastic and cast aluminum with no exposed wood
- Molded foam cushions
- Solid surface arm caps available in multiple colors
- Available in non-porous fabrics with minimal sewing seams

##### Bariatric

- Infinite position recline up to 45°
- Independent back and ottoman recline
- Side retractable accessory hook
- Caregiver ergonomic push handles on back with release button
- Front and rear lock casters with toe lock/release
- Compatible with Hillrom's OBTs and patient lifts
- Structure composed of steel and hardwood with no exposed wood
- Molded foam cushions
- Solid surface arm caps available in multiple colors
- Available in non-porous fabrics with minimal sewing seams
