## RECLINERS

### Features & Benefits

#### Standard

- Infinite position recline
- Independent back and ottoman recline
- Robust flip-up arms with locking in all positions up/down
- Side retractable accessory hook
- Caregiver ergonomic push bar on back with release button
- Front and rear lock casters with toe lock/release casters in front
- Compatible with Hillrom's OBTs and patient lifts
- Structure composed of injection molded plastic and cast aluminum with no exposed wood
- Molded foam cushions
- Solid surface arm caps available in multiple colors
- Available in non-porous fabrics with minimal sewing seams

#### Bariatric

- Infinite position recline up to 45°
- Independent back and ottoman recline
- Side retractable accessory hook
- Caregiver ergonomic push handles on back with release button
- Front and rear lock casters with toe lock/release
- Compatible with Hillrom's OBTs and patient lifts
- Structure composed of steel and hardwood with no exposed wood
- Molded foam cushions
- Solid surface arm caps available in multiple colors
- Available in non-porous fabrics with minimal sewing seams
